# Age Is Just A Number.

Louis Curiel 73 years of age, made his goal to walk from San Nicolas all the way to Ling & Sons Eagle, a distance more than 25 km to help raise funds to help the kids in need. Mr. Luise said he did not have any difficulties the entire way, he just stayed hydrated, showing once again that age is just a number.

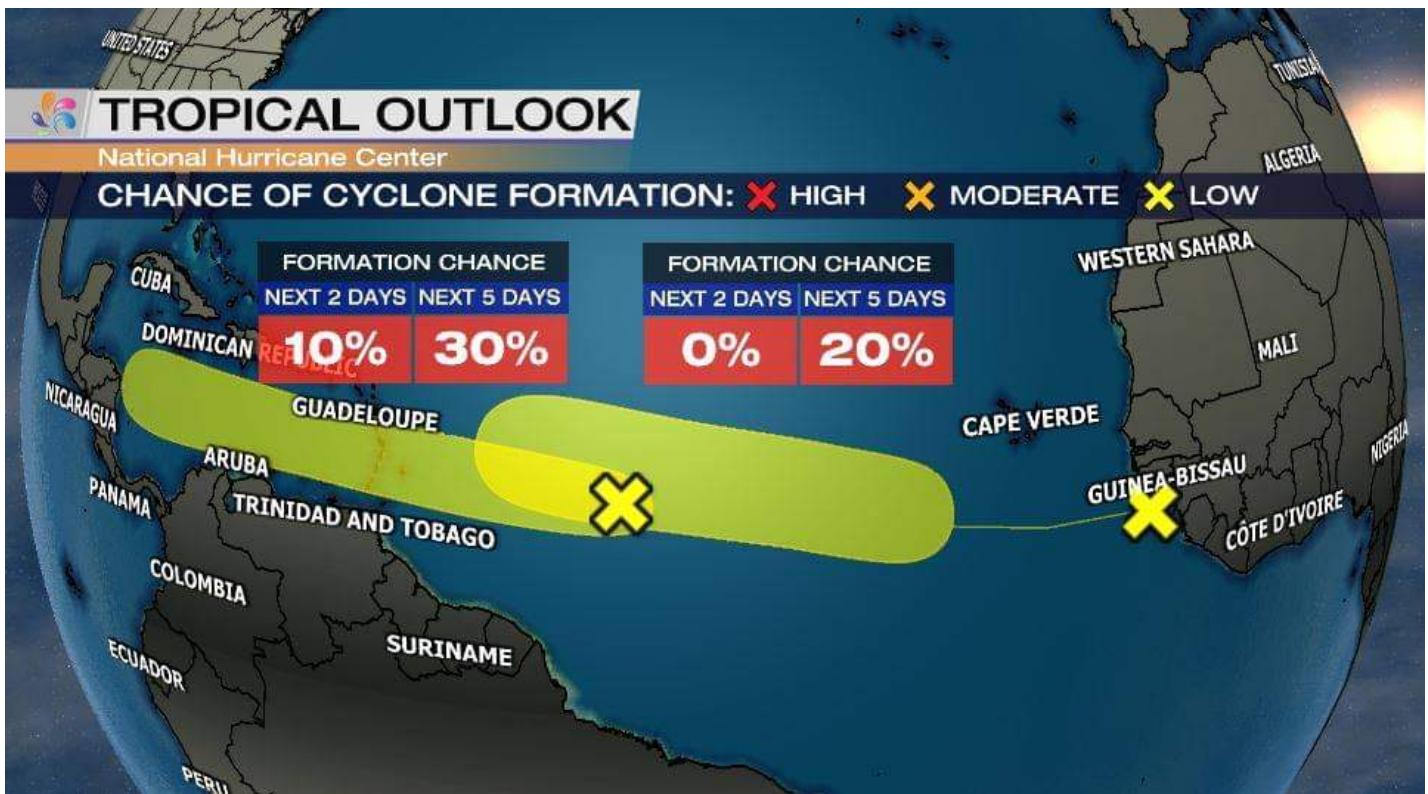

# Curacao Closed Doors For Visitors From Aruba.

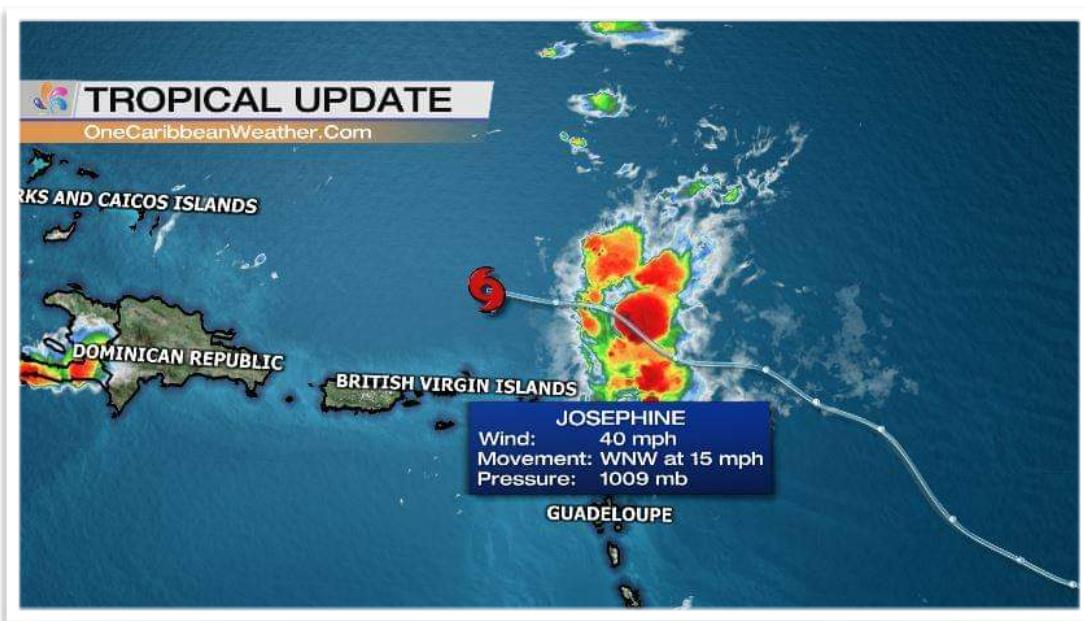

After Aruba released their high Covid-19 positive numbers this got world wide attention, that even Curacao our ABC island sister island has shut the door on us not accepting any flights from Aruba, making hard for families and friend to go over to visit their people. At this time they will be only accepting flights from Bonaire & Holland. Other island & countries are advising their residence to skip Aruba on their vacation plans, however the good reputation of the people still has us receiving visitors.

# Weather Update!

As Tropical Storm Josephine passes north of the Leeward Islands, there are several other disturbances we are watching out for. The tropics are heating up.

# Hospital No Longer Accepting Mask With Filter, Will Not Let You Enter!

**USE OF MASK MANDATORY!**  
**UZO DI MASK OBLIGATORIO!**

The infographic features a large blue surgical mask on the left and a black mask with a valve on the right, crossed out with a large red X. A red diagonal line runs from the top-left towards the bottom-right, separating the two types of masks. To the right of the crossed-out mask, the text "NO MASK WITH VALVE ALLOWED!" is written in English and Spanish ("NO TA PERMITI MASK CU VALVE!"). Below this, there are five circular icons showing different ways to wear a mask: two correct ways (top row) and three incorrect ways (bottom row). The correct ways show the mask covering the nose and mouth, while the incorrect ways show it covering only the nose or only the mouth. A red diagonal line also separates the correct and incorrect ways. At the bottom left is the hospital's logo and name, "Dr. Horacio E. Oduber HOSPITAL". At the bottom right is the slogan "TOGETHER WE CAN BEAT IT!".
